

Brian Fell

EVP, US Operations – Executive General Adjuster

Professional Summary

Through managing claims for insurance carriers, Brian Fell has handled claims involving a wide variety of risks relating to commercial, industrial, manufacturing, healthcare risks and other various risks.

Brian has spent the vast majority of his career as an independent adjuster for some of the top USA based adjustment firms and has handled losses domestically and internationally as an Executive General Adjuster. In addition to this Brian spent some time working for a multi-national retail broker.

Since 1999, Brian has handled many catastrophe related losses associated with hurricanes, floods, winter storms, wild-fires and civil unrest.
