

Dalton Schreiver

Claims & Research Specialist

Professional Summary

Beginning in January 2019 for Lowers & Associates, Dalton Schreiver handled the day to day administrative work for the claims department to include coordinating Subject Matter Experts, processing and handling all forms of claims documentation, writing standard operating procedures, and recording and adjusting loss and expense fund.

New to insurance adjusting, Dalton has begun shadowing adjusters on various lines of business. His most promising is Jewelry box/Specified where he demonstrates an eye for interviewing, fraud, and document authenticity.
