

Seth Teachout

Senior Property Adjuster

Professional Summary

Seth joined Adjusteck after having been employed with L&A where his primary duties were performing background checks.

Seth's transition to claim handling came with along with the implementation of departmental process, supplemental investigation, and the administrative oversight of claim files and bordereaux reporting.

Once his understanding of the claims process grew, he undertook studying to obtain his own adjuster license in Florida. Seth recently obtained his FL license and has begun his initial dive into complete handling of claims across the US across multiple lines of business.
