

Andrew Brown

Senior Executive General Adjuster

Professional Summary

Andrew has over 30 years of loss adjusting experience and has lived throughout Latin America and the Middle East (Brazil, Colombia, Venezuela, Mexico, Panama and UAE) since 1995 following his initial loss adjusting training in the UK. As a fluent Spanish and Portuguese speaker Andrew provides additional language skills to assist Adjusteck's home foreign team offering.

Andrew has handled a wide portfolio of losses for various policy types in Europe, Middle East, Asia, Africa, and Latin America. He also has significant experience in casualty claims throughout Latin America and the Caribbean for local and international insurers and reinsurers.
